Subject: General Order (G.O.) 112-E Compliance Inspection of Southern California Gas Company's Anti-Drug and Alcohol Misuse Prevention Programs

Dear Mr. Morrow:

The Safety Enforcement Division (SED) of the California Public Utilities Commission conducted a G.O. 112-E audit of Southern California Gas Company's (SCG) Anti-Drug and Alcohol Misuse Prevention Programs on January 28-31, 2014. The audit included a review of the SCG's records from calendar years 2012 and 2013. In addition, SED staff visited Quest Laboratory Diagnostics facilities and inspected two specimen collection sites at SCG's Juanita and Santa Ana bases.

SED staff did not identify any probable violations of G.O. 112-E, Reference Title 49 Code of Federal Regulations, Parts 199 and 40 and considers this audit closed.

If you have any questions, please contact Michelle Wei, at (213) 620-2780.

Sincerely,
